Dated: September 2 1997

COUNTY OF MCLEAN
STATE OF ILLINOIS**

ORDINANCE NO. 747

**AN ORDINANCE PROVIDING FOR ATTENDANCE AT LOCAL
ATHLETIC EVENTS BY THE MEMBERS OF THE CITY OF
LE ROY POLICE FORCE FOR SECURITY PURPOSES**

WHEREAS, the Mayor and City Council of the City of Le Roy, McLean County, Illinois, an Illinois Municipal Corporation, have determined that it is in the best interests of the citizens of said City that the Le Roy City Policemen be provided from time to time, when requested, to attend sports events and other athletic competitions of the Le Roy schools, when requested by the superintendent of said school system, in order to take appropriate security precautions and provide appropriate peace keeping activities while there are crowds in attendance at such athletic events.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and City Council of the City of Le Roy, in lawful meeting assembled as follows:

Section 1. That the Police chief or any member of the City police force volunteering for the duty shall be provided on an as needed basis when requested by the Superintendent of Le Roy Community Unit District 2 Schools, and when such Police Chief or other member of the city police force is available, on the following conditions:

(a) Upon request made by the Superintendent of Le Roy Community Unit District 2 Schools to the Police Chief or other member of the City Police force or city government acting in his stead for provision of a city police force member for security purposes at a school athletic event such as a basketball game or football game, the Police Chief will attend such athletic event unless he shall have a conflict with his normal duty hours or would be unavailable on off-duty time for attendance at such events when requested, in which case he may ask for any other member of the Le Roy police force if they wish to volunteer for such duty in addition to their normal regular duty week. If the Police Chief or other police force member in his stead shall be available for such duty, they shall report at the appropriate time and place to be in attendance during the athletic event as they are requested by the superintendent of the aforesaid school district. The Police Chief or other police force member shall remain in attendance at the athletic event for a period of approximately two hours, or until the event shall be over if longer than two hours or until the event is over, whichever period of time shall be the longest and in accordance with the request of the school district superintendent. While going to and from attendance at the said athletic event, and while in attendance at the athletic event under request by the school district superintendent, the Police Chief or other city police force member shall be deemed to be on duty for the purpose of providing security for the public, crowd control services and other such public safety measures as would normally be considered

appropriate for a municipal police force member to provide in large gatherings such as at an athletic event.

(b) The Police Chief or other police force member in attendance at each athletic event will be required to make contact promptly upon arriving at the athletic event with the appropriate school district personnel in charge at the site of the athletic event, which personnel shall also be expected to make contact with the police officer as soon as his presence is made known to them. The Police Chief or other police force member shall coordinate any crowd control activities or other security measures with the appropriate school district personnel in charge of the athletic event unless an emergency requires prompt action and does not permit sufficient time to coordinate necessary measures and actions with such personnel.

(c) In consideration for City providing a uniformed city police force member at such athletic events when requested, Le Roy Community Unit District 2 Schools shall reimburse the City on a basis of \$24.92 per hour (two hour minimum) for each athletic event attended. It is anticipated that normal attendance required will not be in excess of two hours duration at any individual athletic event. At the end of each schedule of athletic events a statement will be rendered by the City Clerk to the Superintendent of the school district outlining the number of events attended, the city police force member in attendance at each event and showing the total charge due by the school district to the City for the provision of these additional security services. Promptly upon rendering of the statement for services rendered by the City to the school district, the school district shall, not later than the tenth day of the calendar month succeeding the month billed, and upon receipt of the billing statement, forward payment for the services at the agreed upon rate previously set forth herein to the City Clerk, said payment to be made payable to the City of Le Roy,

Section 2. The services rendered by the Police Chief or other city police force member shall be deemed to be additional duty but not chargeable at a rate in excess of the normal hourly rate or salaries compensation of the city police force member. While going to and from the athletic event from his home or other appropriate point of departure and return thereto the city police force member shall be deemed to be on duty as a municipal police force member for the City of Le Roy and shall be required to abide by all applicable regulations and laws concerning his responsibilities and conduct during such period of time.

Section 3. The City of Le Roy shall be deemed to be under no obligation to continue to provide police force members for the aforesaid security services to the school district and may terminate the provision of such services at any time upon written notice being delivered to the superintendent of Le Roy Community Unit District 2 Schools, and the Le Roy Community Unit District 2 Schools may terminate the arrangement under like provision of notice.

Section 4. This ordinance shall be deemed ratification of an existing verbal inter-

governmental cooperation agreement entered into between the City of Le Roy and LeRoy Community Unit District 2 Schools affected September 1, 1997 and shall continue, unless sooner terminated through August 31, 1998. By appropriate letter, service as a memorandum of the verbal agreement, the Mayor of the City of Le Roy is hereby directed to notify the Superintendent of Le Roy Community Unit District 2 Schools of the ratification of the existing verbal agreement and of the adoption of this ordinance.

Section 5. This ordinance shall be in full force and effect from and after its passage, approval and publication in pamphlet form, as required by law.
