ORDINANCE NO. 20-04-04-41

**AN ORDINANCE PURSUANT TO TITLE EIGHT, CHAPTER FOUR,
SECTION NINE OF THE MUNICIPAL CODE OF LE ROY, ILLINOIS,
SEWER SERVICE RATES AND CHARGES**

WHEREAS, the City of LeRoy, McLean County, Illinois is an Illinois municipal corporation operating in accordance with the Illinois Municipal Code, 65 ILCS 5/1-1-1 *et seq.* (hereinafter referred to as "CITY"); and

WHEREAS, the Mayor and City Council of the City of Le Roy have previously adopted an ordinance providing for a fee for the dumping of septic waste from septic tanks at the LeRoy Wastewater Treatment Plant; and

WHEREAS, this ordinance does not accurately reflect the fee currently in place for such action; and

WHEREAS, the Mayor and City Council of the City of Le Roy recognize that the citizens of the City of LeRoy have an interest in keeping the Municipal Code up to date and transparent; and

NOW, THEREFORE, BE IT ORDAINED, by the City Council of the City of Le Roy, in lawful meeting assembled on Monday, April 27, 2020, as follows:

That pursuant to Title 8, Chapter 4, Section 9, Subsection D2, of the Municipal Code of the City of Le Roy, Illinois, the Mayor and City Council make the following changes to the City sewer rates:

Section 1.

§ 8-4-9 Industrial Users.

- A. Manhole: Each new industry shall be required to install a control manhole and, when required by the City, the owner of any property serviced by a building sewer carrying industrial wastes shall install a suitable control manhole together with such necessary meters and other appurtenances in the building sewer as will facilitate observation, sampling, and measurement of the wastes. Such manhole, when required, shall be reasonably accessible and safely located, and shall be constructed in accordance with plans approved by the superintendent. The manholes shall be installed by the owner at his expense, and shall be maintained by him so as to be safe and accessible at all times.
- B. Measurements, Tests And Analyses:
 1. The owner of any property serviced by a building sewer carrying industrial wastes shall provide laboratory measurements, tests, and analyses of waters and wastes to illustrate compliance with this chapter and any special conditions for discharge established by the City or regulatory agencies having jurisdiction over the discharge.
 2. The number, type, and frequency of laboratory analyses to be performed by the owner shall be

as stipulated by the City, but not less than once per year. The industry must supply a complete analysis of the constituents of the wastewater discharge to ensure that compliance with the federal, state and local standards is being met. The owner shall report the results of the measurements and laboratory analyses to the City at such times and in such manner as prescribed by the City. The owner shall bear the expense of all measurements, analyses, and reports required by the City. At such times as deemed necessary, the City reserves the right to take measurements and samples for analysis by an outside laboratory service.

- C. Special Agreements: No statement contained in this chapter shall be construed as preventing any special agreement or arrangement between the City and any industrial concern whereby an industrial waste of unusual strength or character may be accepted by the City for treatment, subject to payment therefor, in accordance with Chapter 8-5 of this title, by the industrial concern.
- D. Private Sewage Haulers:
1. Septic tanks with domestic waste pumped within City limits may be dumped at no cost at the City of Le Roy sewage treatment plant.
 2. Septic tanks with domestic waste pumped outside of City limits may dump for a fifty dollar fee (\$50) ~~\$40 fee~~ at the Le Roy sewer plant. Special conditions apply:
 - a. Must have prior approval from the City of Le Roy.
 - b. Must dump at the designated manhole at the sewer plant.
 - c. Must have documentation of where load originated.
 - d. No dumping during a combined sewer overflow.
 - e. No industrial or commercial waste.
 - f. Private haulers are prohibited from discharging at any dump station.
- E. Dump Stations:
1. Any commercial business offering a dump station discharging into the City sewer system shall be assessed a fee of \$100 per month. The dump station shall only receive domestic waste discharges from recreational vehicles, trailers, campers and boats.
 2. It shall be unlawful for any firm, corporation, or private sewage hauler to discharge any type of waste at the dump station.

Section 2. This ordinance shall be in full force and effect following its passage and approval as required by law.
