

ABOUT LE ROY NEWSLETTER

Calling all Le Royans! Calling all Le Royans!! Welcome to the first edition of the Le Roy Newsletter. The Le Roy Newsletter is a publication that serves the local community. The goal of this newsletter is to provide extra information to community members who may not be receiving all of the relevant information happening throughout Le Roy. Every month there will be a new newsletter posted at public places in Le Roy, on the City of Le Roy social media pages, and on the City of Le Roy website with updated information about what is happening in our small town--whether it is with local businesses, city events, trash pick up, and the local calendar for the month. In addition, general information--announcements and health and safety information-- will be included.

We are encouraging Le Roy businesses and local organizations/groups from Le Roy to contact Le Roy City Hall for any events they are holding monthly so that it can be included in this newsletter and on the Le Roy calendar. We hope that this newsletter is informative and gives another outlet for how you receive your information on happenings around Le Roy.

WHERE TO FIND THE NEWSLETTER

At the beginning of every month, you can find a hard copy of the Le Roy Newsletter at Kirby Foods (IGA) or on the City's Facebook or website. If you are searching for it on the City website, it can be found on the home page and under the residents tab.
