RE: Long Range Regional Water Plan Steering Committee Agreement

Dear Davis:

On October 5, 1992 a letter was sent to you regarding the establishment of the Long Range Regional Water Plan Steering Committee. An Intergovernmental Agreement approved by the City of Bloomington, Town of Normal and County of McLean was enclosed for your consideration and approval.

I am pleased to learn that you have approved this agreement and will participate in this study. Accordingly, I am forwarding a Resolution which should be approved as an attachment to the Intergovernmental Agreement. I would ask that you simply execute the attached Resolution and forward an original copy to me at your earliest convenience.

Thank you for your kind cooperation.

Sincerely,

A handwritten signature in dark ink, appearing to read "John M. Zeunik", is written over the typed name.
