Dear Sue:

Enclosed please find a signed copy of the appropriation ordinance file stamped showing that another copy of this same ordinance was received at the McLean County Clerk's Office on August 30, 2000. Also attached please find a photocopy of a signed receipt that I obtained at the same time. You should place both of these documents in the permanent records of the City in regard to the annual appropriation ordinance for fiscal year 2000-2001.

Sincerely yours,
